

## Eco Expo Asia 2016

### Exclusive Business Matching Application Form for Buyers

Thank you for choosing **Eco Expo Asia** (26 - 29 Oct 2016) as your sourcing platform. To ensure you can get the most out of your time visiting the fair, we are pleased to offer you our professional business matching service **FREE OF CHARGE**.

Please refer to the enclosed exhibitor list and fill in Part A below to guarantee a meeting timeslot with the selected exhibitor(s). Moreover, we will also recommend you a detailed programme of exhibitors you can meet with at the fairground according to your product interests and schedule indicated in Part B and C.

Kindly fill in this application form and return to us **by 14 October 2016**. If you have any queries, please contact Mr Andy Chung at Tel: (852) 2240-4435, Fax: (852) 2169-9517 or email: [ecoexpo.visitor@hktdc.org](mailto:ecoexpo.visitor@hktdc.org).

Our exhibitors will be expecting you with your products in search prepared. We look forward to welcoming you to our Fair in Hong Kong.

#### PART A Matching Request According to EXHIBITOR LIST

We would like to meet with

| No | Name of Exhibiting Company |
|----|----------------------------|
| 1  |                            |
| 2  |                            |
| 3  |                            |
| 4  |                            |
| 5  |                            |

*Please use additional sheet if space is not enough.*

#### PART B Matching Request According to SPECIFIC PRODUCT INTEREST (May choose more than one)

##### Air Quality

- Air filtration system
- Air pollution & gas emission control
- Air purification & deodorisation technology and equipment
- Desulphurisation & dust control technology and equipment
- Gas, smoke & chemical monitoring and treatment equipment

##### Eco-friendly Product

- Bio-degradable & eco-friendly raw materials
- Bio-degradable & recycled products and packaging
- Nano technology and materials
- Organic products
- Recycled paper / plastic products

##### Energy Efficiency & Energy

- Alternative energy machinery and technology
- Energy saving devices and products
- Renewable & alternative energy products

##### Green Building Solution & Service

- Architectural & design services
- Eco-friendly landscape designs
- Eco-friendly materials for construction and fitting
- Energy efficient devices and systems
- Green roof systems and green walls
- Indoor air quality technology and systems
- Water saving devices and products

##### Waste Management & Recycling

- Biological treatment equipment
- Landfill containment
- Oil recycling technology and equipment
- Solid waste recycling technology and equipment
- Solid waste treatment, incineration & recycling systems
- Transport, collection & sorting of waste
- Waste electrical and electronic equipment treatment and recycling systems

##### Green Transportation

- Eco-friendly vehicles
- Energy & charging infrastructures
- Vehicle battery and energy storage technology

##### Testing, Inspection & Certification

- Quality consultancy service
- Quality inspection and testing services

##### Water Quality

- Sewage maintenance
- Sewage systems and treatment
- Wastewater recycling technology and equipment
- Water desalination & purification technology and equipment
- Water treatment and distribution

##### Control, Measuring and Laboratory Technology

- Environmental electronic surveillance, monitoring and management systems
- Environmental information & data processing
- Laboratory equipment & supplies

##### Environmental Project Solution & Service

- Beach, coastal, harbour & marine protection
- Slope & ground management and protection
- Soil erosion control
- Research & consultation

##### Environmental Protection Service & Research

- Environmental-related education & training
- Environmental-related media & publications
- Green financing
- Sustainability consultancy

**Others** (Please name the specific product you are seeking):

#### PART C Preferred Meeting Schedule (Please choose at least 2 sessions)

|    | 26 Oct 2016 (Wed)        | 27 Oct 2016 (Thu)        | 28 Oct 2016 (Fri)        | 29 Oct 2016 (Sat)        |
|----|--------------------------|--------------------------|--------------------------|--------------------------|
| AM | --                       | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| PM | <input type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> | --                       |
