

Eco Expo Asia 2026

Connecting the World for a Sustainable Future

Green tips (for exhibitors)

Booth set up and decoration

- **NO FOAM BOARDS** for the production of exhibition materials and adoption of environmentally-friendly display materials which can be recycled, reused or upcycled (please make reference to Appendices 1 & 2).
- Adopt reusable exhibition materials as far as possible.
- Avoid or reduce using excessive packaging materials and decorations.
- Use natural decorative materials such as green plants.

Promotion

- Go electronic, avoid/reduce printed promotional materials and one-off publicity materials that cannot be reused.
- Avoid producing and distributing excessive souvenirs, and may replace them in electronic form, such as e-coupons.
- Do not use or distribute regulated disposable plastic products as promotional materials (e.g. inflatable cheer sticks, balloon sticks, plastic-packaged tissue paper for promotional use, etc.).

During the exhibition

- Not to provide any form of shopping bags or plastic umbrella bags to participants.
- Minimise the distribution of unnecessary printed materials to the participants.
- Bring your own reusable cups/water bottles and tableware.
- Encourage staff working an event to bring their own meals, or schedule meal breaks outside instead of ordering takeaway. Participants should be encouraged to reduce food waste at source.

After the exhibition

- Recycle or donate the spent materials.
- Make good use of the recycling facilities and recycle right.
- Record the quantities of unused materials for better estimation of the required quantities of materials for next year to avoid wastage.
- Take back all materials for future use to achieve “Zero Waste”.

Please refer to the Green Event Guidebook by visiting the weblink below for more information: <https://www.wastereduction.gov.hk/en-hk/waste-reduction-programme/greening-your-events>

8. Electronic display panel

9. Video wall

Remark:

The above pictures are for illustration purpose of replacing the use of foam boards and for reference only.

Non-Exhaustive List of Local Suppliers of Green Materials for Setup of Exhibition Booths

No.	Company Name	Business Nature	Correspondence	Reference Picture 1	Reference Picture 2	Green Materials
1.	B.C. SYMA Exhibition Contractors Limited	Design, Production, Construction	Ms. Joby Lee Email: joby.lee@symaasia.com Tel: 2673 9200 Mr. Sunny Kok Email: sunny.kok@symaasia.com Tel: 2652 7319	 Reusable materials, Cubix system, and decorated with fabric and light tubes, etc. for main structure. TV and 3D Holographic fan were for information and graphic display.	 Reusable materials, Cubix system and 408 system for main structure. 408 system is more flexible and allows curve design of the structure.	- Octanorm System /Cubix System - Cardboard - Fabric - TV panel - Touch screen panel - LED wall - Projector
2.	Bannershop	Printing and production, Installation, Design	Mr. Kenny Ngan Email: kenny.ngan@bannershop.com Tel: 3500 3118	 Reusable stand and fabric for exhibition venues and different events.	 Recyclable materials like honeycomb board and eco sticker.	- Eco-friendly ink - Reusable aluminum shelves - Pop up display - Honeycomb board - Fabric - Eco sticker & banner (Non-PVC) - Eco poster

No.	Company Name	Business Nature	Correspondence	Reference Picture 1	Reference Picture 2	Green Materials
3.	CEC Design (H.K.) Limited	Exhibition Design and Contracting, Event Management	Ms. Prisillia Leung Email: prisillia@cecdesign.com Tel: 2152 8102 Mobile: 9656 0720	 Using recycled wood board and recycled aluminum system to produce the booth layout.	 Graphic design with printing on the honeycomb cardboard.	- Honeycomb cardboard - Recycled wood board - LED wall - Touch screen panel - Aluminum system frame - Digital panels /signage
4.	Dicon Creation Hong Kong Limited	Design, Production, Construction	Mr. Dicky Sin Email: dicky@dicon.com.hk Tel: 2947 7780 Mobile: 9075 2775	 Recycled wood pallet with LED lighting effect display table.	 Recycled wood pallet for whole booth erection.	- Honeycomb board - Used wood pallet - LED Lighting - OSB wood board - Recycled exhibition carpet

No.	Company Name	Business Nature	Correspondence	Reference Picture 1	Reference Picture 2	Green Materials
5.	Earth Production Limited	Consultation, Circular Design and Production, Sustainable Event Management	Mr. Matthew Mak Email: matthew.mak@earthproduction.com.hk or sustainability@earthproduction.com.hk Mobile: 9550 9175	 Direct printing on cardboard with water-based Latex technology, avoiding the use of PVC sticker on cardboard that contaminating the raw materials for recycling, or heavy energy consumption of UV printing.	 Module design allow small and medium size exhibitors to DIY their booth with sustainability commitment. It not only reduced the use of plastic-based materials, but also reduce the carbon footprint of transportation.	- ISO 20121 Sustainable Event Management System - Carbon footprint calculation and offsetting - Recycling system - ECOR fibre board - Cardboard /plywood connector for DIYers - Honeycomb cardboard
6.	E-banner	Production Construction	Enquiry Hotline: 2344 7776 Email: cs@e-banner.com Quotation or Order: order@e-banner.com	 Honeycomb cardboard display panel.	 Honeycomb cardboard display panels.	- Cardboard - Recycled honeycomb cardboard - Environmentally friendly inkjet

No.	Company Name	Business Nature	Correspondence	Reference Picture 1	Reference Picture 2	Green Materials
7.	Eventist Limited	Design, Production, Digital Solutions, Event Management	Mr. Terry Dao Email: info@eventist.com Tel: 3616 6491 Ms. Fanny Wong Email: fanny.wong@eventist.com Tel: 3616 6090	 Design and fabrication of exhibition booth using recycled materials.	 Content development and hardware solutions & provision of different digital devices, such as digital signages /TVs, etc.	- Reusable system material for booth construction - Recycled wood board - Recycled wood pallets - Honeycomb cardboard - Reusable metal frame - Digital signage - TVs - Digital panel /kiosk
8.	ExPro Services	Design, Production, Construction, Event Management	Mr. Jack Chung Email: jchung@expro.hk or enquiry@expro.hk Tel: 2132 6792 Mobile: 5100 2584	 Octagonal aluminum frame with fabric display panels.	 Paper backdrop.	- Cardboard - Paper with recycled content - Fabric - Aluminum frame - Honeycomb cardboard - Recycled wood board - TV panel - LED wall - Projector

No.	Company Name	Business Nature	Correspondence	Reference Picture 1	Reference Picture 2	Green Materials
9.	Fingerprint Limited	Design, Production	Mr. William Ho Email: william@fingerprint.com.hk Tel: 2891 8081 Ms. Connie Fan Email: connie@fingerprint.com.hk Tel: 2122 4788 Mobile: 9105 2011 Mr. Tom Tong Email: tom@fingerprint.com.hk Tel: 2122 4700 Mobile: 9722 7844	 Honeycomb cardboard.	 Honeycomb cardboard, box making and UV inkjet.	- Cardboard - Paper with recycled content - Fabric - Aluminum frame - Honeycomb cardboard - Recycled wood board - Reclaimed wood board
10.	Idesignian	Design, Production, Construction	Mr. Wilson Chan Email: wilsonchan@idesignian.com Tel: 3521 0923 Mobile: 6907 7256 Mr. Jason Ng Email: jasonng@idesignian.com Tel: 3521 0922 Mobile: 6899 9058	 Recycled wood & bamboo; exhibition design supply & installation, ISO 9001:2015 & 14001:2015, support reuse of waste.	 Honeycomb & cardboard.	- Cardboard - Honeycomb board - Recycled wood - Recycled bamboo - Fabric /lightbox - TV panel - LED wall

No.	Company Name	Business Nature	Correspondence	Reference Picture 1	Reference Picture 2	Green Materials
11.	Innocon Marketing Services Limited	Design, Production, Setup	Mr. Tim Li Email: info@innocon.com.hk T: 2602 7566	 Detachable aluminum building system.	 Detachable aluminum building system with fabric decoration.	- Detachable aluminum building system - Fabric - Reusable panel - LED TV monitor - Reusable LED lighting equipment - Recycled carboard
12.	Jamie's Production Limited	Design, Production, Construction	Mr. Ng Email: jamiesproduction@gmail.com Mobile: 6333 0411	 Different recycled materials for printing.	 Honeycomb board display.	- ECO Solvent, Latex & UV printing - Recycled honeycomb cardboard - FSC paper poster - Digital signage - Touch screen panel - LED wall

No.	Company Name	Business Nature	Correspondence	Reference Picture 1	Reference Picture 2	Green Materials
13.	Joinmax Display & Productions Limited	Corp	Ms. May Leung Email: mayleung@joinmax.com.hk Mobile: 6191 8711	 LED Wall - Opening ceremony, seminar, etc.	 Display TV Panel - Display information /poster /video /signage, etc.	- LED wall - Display TV panel
14.	Noah (Asia) Limited	Booth Design, Production, Project Management	Mr. Steven Chu Email: contact@noahasia.com Tel: 3696 1500 Fax: 3696 1509	 Reusable material rental: exhibition structure system, furniture and electric appliance.	 Plastic bottle reuse as plant display.	- Reuse and retrofitting of recycled materials - Recyclable honeycomb cardboard - PVC-free printing - Eco-friendly wooden ozone board

No.	Company Name	Business Nature	Correspondence	Reference Picture 1	Reference Picture 2	Green Materials
15.	Triple Mint Advertising Co., Limited	Design, Production, Construction	Ms. Sella Wong Email: marketing@triplemint-ad.com Tel: 3428 3760	 Reusable aluminum frame with graphic printed on reusable fabric, recycled paper.	 Recycled wood table and cardboard backdrop.	- Aluminum frame - TV panel - 3D holographic fan - Touch screen panel - LED wall - Cardboard - Paper with recycled content - Fabric
16.	Work Sheet Studio	Design & Production	Ms. Jade Wong Email: worksheetstudio@gmail.com Mobile: 6225 8722 Ms. Yeung Email: info@worksheet.hk Mobile: 6400 6308	 Customised paper and display panels made of recycled plant fibres (e.g. bamboo, tea leaves, etc.), design and production of exhibition displays using sustainable materials and production methods.	 Customised installation and display items made of recycled fibre wastes (e.g. bamboo, tea leaves, fabric, etc.), design and production of exhibition displays using sustainable materials and production methods.	- Fiber-paper with recycled content (e.g. bamboo fibre, straw fibre, tea leaves, fabric, etc.) - Fiber-panel - Fiber-tile - Corrugated cardboard
